"No Step Backward", Says German Foreign Secretary

"President Wilson's Decision is Astonishing," He Declares, and Hopes Americans Will Be Warned From Blockade Zone.

PEACE REFUSAL LEFT NO OTHER WAY

Says America Denied Germany Assistance and That Berlin Has Broken No Pledges

(By United Press.)
Berlin, Feb. 5.—"There is no step backward," declared Foreign Secretary Zimmermann in an interview published today, in commenting on President Wilson's breaking off relations with Germany.

"President Wilson's decision is astonishing," declared Zimmermann.

"The entente's refusal of our peace overtures left us with no other step open except unlimited submarine warfare in the fight for our existence against the entente's violation of international law.

"America denied us assistance. We made no conditionless promises to avoid unlimited submarine warfare. We have broken no promises. We hope President Wilson will warn Americans from the blockade zone."

GERMANS STEELED FOR ANYTHING NOW

To Observers in Berlin, Any Drawing Back From Recent Announcement Would Surprise

AMERICANS EXPECTING WAR

BY CARL W. ACKERMAN
(U. P. Staff Correspondent.)

Berlin, Feb. 4 (Delayed).—Every American in Berlin is preparing for war between Germany and the United States.

News of the break was first printed today. The report spread like wildfire all over Berlin.

Late this afternoon Ambassador Gerard had not received official notification of the break. At that time, however, he went for an hour's conference with Foreign Secretary Zimmermann. When he returned his manner was grave.

To observers here any drawing back by Germany from her announcement of unlimited submarine warfare would be the greatest surprise of the war.

With new troops constantly going to the front, with Zeppelins flying over the city, with daily reports of submarine successes and the news of successful throwing off of entente attacks on all fronts, the public is steeled to further sacrifices.

The American embassy was a picture of gloom. Official word was anxiously awaited.

SEEKS TO AVERT RUPTURE

Administration Would Avoid Break With Austria.

(By United Press.)

Washington, Feb. 5.—Austria has sent the United States a note practically identical with the German announcement with respect to unrestricted sea warfare but despite this the administration is making every effort to get a change on Austria's part and avoid a break similar to the German rupture.

These negotiations have proceeded for the past two days. Because of them the state department had

Incidents of Day In German Crisis

CALLS IT ACT OF WAR

(By United Press.)
Washington, Feb. 5.—President Wilson's request that neutral countries break diplomatic relations with Germany is practically an act of war against Germany, a leading neutral diplomat said today.

FORD OFFERS PLANT

(By United Press.)
Washington, Feb. 5.—Henry Ford, peace advocate, today offered Secretary of the Navy Daniels the use of his big automobile factory at Detroit for government munitions work and agreed to operate it without profit to himself.

KEEPS SHIPS UNDER U. S.

(By United Press.)
Washington, Feb. 5.—Acting under the authority conferred upon him by congress, President Wilson today declared there exists a "national emergency" arising from insufficient ships and issued a proclamation forbidding American ship owners from transferring their vessels to alien registry.

TO PROTECT ARSENALS

(By United Press.)
Washington, Feb. 5.—The immediate protection of all government arsenals by the installation of anti-aircraft guns was decided upon today by the house military committee following a visit to the committee by Secretary of War Baker.

A one million dollar emergency appropriation will be added to the army appropriation for this purpose.

withheld the text of the Austrian note and has refused all comment regarding it further than to say that it had a communication from Austria.

Because of its interest in caring for thousands of prisoners this government is anxious to continue relations with Austria if possible. It will try to get Austria to relax her position.

WARNS AGAINST PANIC OR HASTE

Administration Urges Nothing be Done That Might Embarrass This Government

TO ADHERE STRICTLY TO LAW

(By United Press.)

Washington, Feb. 5.—Warning to the country against doing anything in panic or haste that might embarrass the government seriously in its present international situation was issued today by the administration. The official warning came in view of the report that German ships were being seized, something that has not and will not be done unless war is declared.

The president feels there is no panic nor haste warranted at the present time and has declared that whatever other governments may do, this government is going to adhere strictly to the letter of the law.

GETS HIS FORMAL ORDER TO PACK UP

Ambassador Gerard Acts on Orders From Washington and Prepares to Leave Berlin

BESIEGED BY AMERICANS

(By United Press.)
Berlin, Feb. 5.—American Ambassador Gerard received the United States government's formal telegram which withdraws him from Berlin, at ten o'clock Sunday night. He expected to deliver the American government's statement to Foreign Secretary Zimmermann at eleven o'clock Monday morning.

Early Monday morning the American embassy building was thronged with Americans seeking advice and help. All embassy employees have received notice from the ambassador to be ready to leave at any moment. So far as is known, the route which the American diplomatic staff will take to America has not been determined. It is probable, however, that the staff will travel via Spain.

It was stated today that Ambassador Gerard will not leave before Thursday. Gerard worked until midnight Sunday arranging embassy affairs and conferring with his staff preparing to leave.

SUPPORT IN SOUTH AMERICA UNLIKELY

President's Suggestion For Joint Action Received in Very Cool Manner by Ruling Class.

LOWER CLASS IS PRO-ALLY

By CHARLES P. STEWART.
(U. P. Staff Correspondent.)

Buenos Aires, Feb. 5.—President Wilson is most unlikely to receive much South American support in his suggestion for joint neutral action if editorial comment is any standard by which to judge.

In Argentina it is necessary to differentiate below the lower and the former class—the most numerous—is pro-United States because it is pro-ally. But the upper class controls the policy of the nation. And it is coldest toward the United States.

The same situation exists in other South American republics.

WIRELESS IS INDEFINITE

Berlin Message Says Further Concessions Are Considered

(By United Press.)

London, Feb. 5.—Wireless messages from Berlin today said:

"Negotiations are proceeding as to further concessions in the U-boat warfare without prejudicing its purposes."

The dispatch is evidently based on wireless interchanges which were "picked up" by British wireless stations. The announcement did not state between which nations the negotiations were proceeding.

The quarterly conference which was to have been held at St. Paul's M. E. church tonight has been postponed until Friday night.

AND HE NEVER MENTIONED IT

Weather Man, the Thoughtless Brute, Forgets to Say Anything About Sunday Blizzard

SLIPPED IN UNANNOUNCED

Sharpest Change in Temperature Catches Patiently Suffering Populace Unawares

Just when a patiently suffering populace thought that the weather man was going to deal kindly with them, another cold wave, more severe and intensely bitter than any of the winter swept down out of the northwest from Medicine Hat and sent the mercury below zero and humanity indoors around the fire.

What made it an even more bitter pill was that the weather man was so thoughtless as not to mention it Saturday. He has been very considerate of the welfare of his people up to date, but Saturday he made a fizzle because he said nothing about the temperature going to drop thirty degrees right in broad daylight where everybody could see it.

But that's what the temperature did, anyway. Yesterday morning Rushville arose to find a greatly moderated temperature, and convinced that Jack Frost would not be abroad in such large quantities, carefully dressed and went to Sunday school and church.

But the surprise they got when they emerged from the warm church at noon!

During the interim the mercury had made that sensational slide for a little pocket at the bottom of the tube. At 9 o'clock when those who had the temerity to venture out started, it was cold, to be sure, but the temperature was only a few degrees below freezing. At noon it was too near zero to be comfortable. At five o'clock in the evening it was six below zero. And during the afternoon a blizzard, such as has not been seen in these parts for years, had been raging.

After such an afternoon as that Sunday, anything could be expected last night, but the weather was what might be called decent. The government thermometer at Maury registered seven degrees below zero at seven o'clock this morning and showed that some time during the night the mercury had gone down to ten below zero. The same temperature was registered in Rushville at midnight, it was reported.

Today the weather man promised moderation and there was every indication at noon that he had hit it this time. The mercury was slow in climbing, but one little degree was a lot after what had happened Sunday. Fair weather was predicted and much warmer weather tomorrow. The mercury had risen to 8 above at noon.

Trains were late yesterday and today and travel on the country roads was almost stopped. The snowfall was not heavy but the blizzard caused it to drift and made many places on the roads impassable.

The streets were practically deserted. Church attendance was cut down and no other public meetings were held. So few people appeared at the First Presbyterian and the St. Paul's M. E. churches that no services were held last night. Only a few ventured forth for the Christian and First Baptist church services.

Miss Fannie Brooks is ill at her home in West Fourth street with tonsillitis.

Floyd Hogsett is ill at his home with lumbago.

Miss Rita Gilson is ill at her home in this city.

Dale Johnson is suffering with rheumatism of the shoulder.

WILL TAKE FINAL ACTION FEBRUARY 15

County Fair Board is Unable to Settle About Future Today Because of Lack of Quorum.

GROUND'S LIKELY TO BE SOLD

Final disposition of the proposition to sell the Rush county fair grounds and abandon the fair association, an organization of seventy years' standing, will be made on Thursday, February 15. At a meeting this afternoon of the directors nothing definite could be done because a quorum was not present. The secretary was instructed to notify the twelve directors of the association of the meeting one week from Thursday and to urge all of them to attend.

Present indications point to the selling of the grounds, but in case the fair should be held the date will be the week following the state fair, which is the week of September 11. So far no one has offered to come to the aid of the association and there is every reason to believe that the business of the association will be closed and the grounds sold. A. L. Stewart presided at the meeting this afternoon in the absence of W. A. Alexander, who is ill.

MANY OUT AT THE ELEVENTH HOUR

Several More Candidates File Declarations to Make the Race in the City Primary.

J. C. BRANN WITHDRAWS TODAY

Opposition Develops to the Republican Candidates for Three Ward Councilmen.

Several additional candidates filed their statements with City Clerk Gunning late Saturday afternoon. Fred Boxley announced his candidacy as candidate for city clerk on the democratic ticket. This makes five candidates for the nomination on the democratic ticket.

O. C. Brann announced his withdrawal from the race for the nomination of mayor on the republican ticket. This leaves the field to Harley Frazier, A. B. Irvin and Clara L. Bebout. Mr. Brann stated that he did not have the time to devote to the campaign and the office, should he be elected.

The primary will be held one month from tomorrow and the fight for the several places promises to be warm. Chief interest centers on the republican contest for mayor and clerk and the democratic contest for clerk. The republicans have three candidates for clerk, Earl Osborne, Albert Sweet and Walter Easley. The democratic candidates are Ozro Farthing, Wilbur Stevens, Charles Newkirk, Sam Morgan and Fred Boxley. The republican candidates for councilmen have opposition in all three wards. Clay Benedict and A. P. Wagoner seek the nomination from the Third ward; Frank Abercrombie is opposed by Clair Johnson in the First ward, and in the second the republican candidates are Ed Lee and Homer Cole. The candidates for councilmen-at-large, Chase Maury, Frank Huddleson, Center; James H. Martin, Richland; James Shanahan, Rushville; Charles G. Carney, Noble.

The only democratic contest for councilman is in the First ward where Frank Mellwaine and Morris Winship seek the nomination.

Dr. E. E. Young of Kokomo, son of Mr. and Mrs. Sam Young of this city, who has been quite ill and was operated on recently, is able to be out now.

FEBRUARY TERM OF COURT OPENS

Reading Docket and Making Up Issues Constitutes Most of the Day's Business.

GAMING CASE ON TOMORROW

Bennett Webb of Carthage is Arrested for Malicious Trespass and Gives \$50 Bond.

The February term of the circuit court opened today. The usual reading of the docket and the making up of issues constituted most of the business. The large court room was too cold and court was held in the small room just off of the court library.

The term promises to be a busy one. The jury has been called for tomorrow, when the case against Charles Perkins, charged with gambling, will be heard. This is the first of the cases growing out of the activities of the recent grand jury when seventy-nine indictments were returned. Perkins is charged in two indictments with gaming.

Bennett Webb of Carthage was arrested this morning on a bench warrant issued from circuit court, charging him with malicious trespass. He was arraigned and released on bond in the sum of \$50. The manager of the Carthage electric light plant filed the charge against him, claiming that Webb tore down an electric light. Webb claims that if he did was not aware of the fact. The light was torn down when he went through Carthage with a load of hay, the hay being piled so high that it broke the electric light wires.

In the case of Mary Jones against Frank Windate, to revoke a widow's waiver and to annul letters of administration, Windate resigned as administrator and the case was dismissed. Mrs. Jones, who is the widow of Frank Jones, who was electrocuted at the Big Four bridge last month, claimed that Windate induced her to sign a paper permitting him to become the administrator of her husband's estate. In the petition to the court she set out that she did not even know Windate.

The case of Albert Curry against Robert Tompkins, for liquidated damages, demanding \$1,759.55, was dismissed by the plaintiff.

James Kratzer, a justice of the peace, filed a new bond and Alva Newhouse was released from the bond. Newhouse was the only person on the bond and he desired to be released for this reason.

The case of Samuel L. Trabue, trustee in bankruptcy for Edward Crosby against John Laughlin of Falmouth on an account, demanding \$53.85, was dismissed and the costs paid.

The petit jury for this term is composed of the following: Eli Collins, Posey township; Edson L. Eakin, Washington; Cyrus Hillgoss, Orange; John M. Hittle, Union; Clark, Center; Peter S. Hollowell, Clarence Kenner, Noble; John L. Center, George Wissing, Walker; Edgar E. Logan, Richland; Walter Patton, Richland; George Hasty, Anderson, and Luther Renegar, Ripley.

The grand jury is composed of the following: Walter G. Carson, Washington; Walter G. Carson, Washington; Leon McDaniel, Posey; Frank Huddleson, Center; James H. Martin, Richland; James Shanahan, Rushville; Charles G. Carney, Noble.

INFANT JACKSON DEAD

Ida Jackson, the four-month-old daughter of Mr. and Mrs. Edward Jackson, died Sunday morning at 5:30 o'clock at their home in North Oliver street. The funeral services were conducted this morning and burial took place in the Upper cemetery.

BAPTIST REVIVAL OPENS

Weather, However, is Not Very
Auspicious for First Meeting

The revival was opened at the First Baptist church last night though the weather was so severe that most people kept close to the fire all day and attendance at all the churches was affected. The Rev. C. B. Jones of Greensburg arrived today and will preach at the revival tonight for the first time. He will be here all during the protracted meetings. The song service and short prayer service will be held at seven o'clock and the sermon will be preached at seven-thirty.

CARD OF THANKS

We wish to thank our friends and neighbors for the kindness shown to us during the illness and death of our mother, Mary A. Alger.

Also to Wyatt & Sons and Rev. W. M. Whitsitt, for the kind and efficient way they conducted the services and to Omer Trusler who beautifully sang.

We also wish to thank those who so faithfully attended her in her last illness.

ONE CONTRACTOR GETS BOTH ROADS

William Avery is Successful Bidder
on Leander M. Carr and Theodore Humphrey Highways.

COPPER FROM ROOF IS SOLD

William Avery was awarded the contract for two roads—the Leander M. Carr road in Anderson township and the Theodore Humphrey road in Richland township — this afternoon by the county commissioners. The contract price for the Carr road was \$5,600 and the price of the Humphrey road was \$4,500. Sam Jaffe of Richmond was awarded the contract for the old copper on the court house roof, his bid being \$22.50 a hundred pounds.

S. H. Colter and Son was the only other bidder for the two roads. Colter bid \$6,000 on the Carr road and \$4,750 on the Humphrey highway. Both roads are about a mile in length.

Lewis Hunter of this city submitted a bid of \$18.50 a hundred for the old copper.

PUBLIC SALE OF LIVE STOCK

The undersigned will sell at Public Sale at the Cullen farm, one and one-mile west of Rushville, on

WEDNESDAY, FEBRUARY 14th, 1917

the following described live stock

12 Draft Mares 12

These are a useful lot with plenty of size, bone and substance, four to eight years old, sorrels, bays, browns, blacks and grays. Some good pairs among them. Ready any day for the plow. Some in foal.

AVAIL YOURSELF OF THIS OPPORTUNITY

30 Head of Cattle 30 TWELVE SHORTHORN COWS AND HEIFERS

This is an exceptionally good bunch, all bred to Registered bull, some with calves at side. A lot of first class milkers.

Five Polled Shorthorn bulls, almost ready for service, an extra fine bunch. Also a few heifer calves. One coming two-year-old steer, a good one. The red, white and roans were never more popular. Buy a few good ones.

SIX HEAD OF SELECT JERSEY COWS

to be fresh soon or calves at side. This is a chance for a good butter cow.

85 Head of Hogs 85 60 — DUDOC SOWS — 60

This, I think, is one of the best and most uniform offerings I have ever presented to the public and certainly there was never a more opportune time to invest in a good brood sow. They are strictly pure-bred, out of mature sows and boars and bred to boars out of \$500 and \$1000 sires, for March and April farrow. They have had plenty of exercise, are strong and vigorous and should prove a profitable investment at almost any price. Come, take a few good ones home with you.

ONE YEARLING BOAR. TWO SPRING BOARS.
TWENTY-FIVE CHOICE FEEDERS

20 Shropshire Ewes 20

Sired by an Imported Ram

Their dams and grand-dams for several generations are also by Imported sires. One to four years old, bred to Registered Ram. Sheep and wool are so high in the market I hesitated to make this offering, but hope the opportunity to get a few such ewes will be appreciated.

Sale to be held entirely under cover at the Cullen farm, beginning at 10:00 a. m. sharp, Wednesday, February 14, 1917.

What is the Cause of Rheumatism, Lumbago and Gout?

(By Valentine Mott Pierce, M. D.)

Ever since Scheele, in 1775, discovered that uric acid was present in the system, scientific men have been making experimental investigations and it is the almost universal opinion of our best medical men that the presence of uric acid in the system in excess is the cause of rheumatism and gout. When the urate salts are precipitated out of the blood into the solid tissue-structure the person suffers from gout and rheumatism in the muscles and joints, or suffers from lumbago and pain in the back muscles. The first aim of the sufferer should be to get rid of the uric acid, which, in excess, is a poison, and to do this it is well to drink about a pint of hot water morning and night—get tablets of Anuric (double strength) at the nearest drug store and take them before meals regularly. Anuric will do no harm to the system and will carry off the uric acid by stimulating the kidneys. Then tincture iodine may be painted over the swellings, or in more severe cases hot linseed poultices may be used. But most important is it for the sufferer to abstain from meat, to diet, drink only lemonade or hot water, and take Anuric for a considerable time as it causes a drainage outward of the uric acid and is many times more potent than lithia and usually one finds that it dissolves uric acid as hot water does sugar.—(Adv.)

Popular Concert
 Contralto

An American girl who has gained great popularity because of her rich voice and sound musicianship.

Thomas A. Edison Wants You To Hear This Test

Tuesday Evening, February 13 at 8:15, United Presbyterian Church

Many famous artists have made these "Tone Tests." Read what the papers say:

"Impossible to distinguish between the singer's living voice and its re-creation by the instrument that bears the stamp of Edison's genius."

Boston Herald Nov. 19th, 1915.

"The ear could not tell when it was listening to the phonograph alone. Only the eye could discover the truth by noting when the singer's mouth was open or closed."

N. Y. Evening Mail, May 3d, 1916.

It was virtually impossible to distinguish between the real voice and the Re-Created voice of the singer."

Philadelphia Evening Telegram, April 28th, 1916.

"Christine Miller herself and Christine Miller on the Edison sang side by side. The two voices were so identical that when one or the other stopped it was impossible to detect it in the audience."

Cleveland Leader, Sept. 23d, 1915.

"Not possible to tell one from the other."

Detroit Free Press, Oct. 12th, 1915.

Music's re-creation! A reproduction of the human voice from the phonograph which the ear cannot distinguish from the living voice! Has Mr. Edison accomplished this miracle at last? Come—hear this astonishing test—and judge.

Miss Helen Clark, the popular concert Contralto will be here, at Mr. Edison's request, to offer you the only evidence by which you can really judge. She will sing side by side with Mr. Edison's re-creation of her voice! See if you can tell, without watching the motion of Miss Clark's lips, which is the living voice and which the re-creation.

What Is Your Judgment?

Mr. Edison insists upon this unique and daring test. For it tells more than the most vivid words can express. Its convincing frankness sweeps away all doubt. Mr. Edison wants your true judgment of his new musical art. He wants the judgment of every music lover. Has he re-created music? Has he eliminated all mechanical blemish? Has he preserved the living tones in all their reality?

He puts the original and his re-creation, before you—side by side. He hides nothing. Asks no allowances. He dares to make the vital test that no one else but he has ever ventured. And he asks you to decide.

Call or Write for Complimentary Tickets

We want all music lovers in this community to hear this interesting and convincing test. Complimentary tickets will be distributed to those who apply in person at our store or by mail. You and your friends are urged to attend. Mr. Edison recommends that children under three years of age be not admitted as they do not realize that they can mar the intent of this recital by crying or talking. We advise you to apply early before all tickets are exhausted.

History Reading Course.

In response to more than a thousand requests from various parts of the country, the Bureau of Education, Department of the Interior, has just added to its list of reading courses a reading course in American history. In announcing the new course Dr. P. P. Claxton, Commissioner of Education, declares:

"All American citizens should know more of the history of their country than can be learned from the meager outlines of the textbooks used in our elementary and high schools. That a large number of people should have such general and comprehensive knowledge of the country, its life and growth and the form and spirit of its institutions, as can be gained only from reading at least several of the standard histories is essential to the welfare of the Republic. At every national election and at many State and municipal elections the people are called upon to vote on policies which cannot be intelligently determined without such knowledge. Legislators and other representatives of the people are constantly in need of it. Only out of the history of the past can come an understanding of the principles by which they must be guided if they are to work wisely for the future. To read extensively and deeply in the history of the country becomes therefore a patriotic duty. Only thus can one love his land with 'love far brought out the storied past,' 'used within the present' and 'transfused through future time by power of thought.'"

"Those who have learned to read history find it the most interesting form of literature. The story of any country or of any great movement of any people, fitly told, is interesting, especially when the reader has learned to understand the relation to each other of the thought and feeling and purpose and action of the people. No country has a more interesting history than the United States, which, from its beginnings in the scattered settlement of immigrants from European shores 300 years ago and less, has grown it has become the greatest, wealthiest, most powerful and most prosperous, the freest, the most self-controlled and self-restrained, the most firmly united nation the world has ever known. The story of the United States is the story not of dynasties and courts but of the people, their life, their industries, their aspirations and the democratic institu-

tions through which they have sought to attain these aspirations, and every line of the story throbs with present interest and future meaning."

The list of books was selected by the bureau in co-operation with several well-known historians and educators, including Dr. W. H. Mace of Syracuse University, Dr. Wilbur F. Gordy of Hartford, Conn., Dr. Franklin L. Riley of Washington and Lee University, and Dr. William Starr Myers of Princeton University.

The books in the course were selected with a view to presenting a complete record of the United States, including the European background, exploration and settlement, the war of independence, the division of government, the civil war and reconstruction, the economic development, and the concentration and expansion of the United States as a nation.

This course was designed primarily for those who have left school, but anyone is eligible who can find time to read. For particulars address the Home Education Division, United States Bureau of Education, Washington, D. C.

We have known some warm hearted and kindly people in whom taciturnity was carried almost to an extreme. And, too, we have known a few whose cordiality was but a mark for their cold blooded calculations and personal gain.

What's the use of slaving as a merchant, or lawyer, or doctor? A Chicago state's attorney has unearthed automobile thefts amounting to \$2,000,000 in four states during the past few months.

Germany has started another vigorous submarine campaign. "We should worry"—and we will.

Washington tells us we are to have the most powerful warships in the world. WHEN

Charity in your views is well even if your purse can't afford it.

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a Mustard Plaster Without the Burn or Sting

Musterole is a clean, white ointment, made with the oil of mustard. It does all the work of the old-fashioned mustard plaster—does it better and does not blister. You do not have to bother with a cloth. You simply rub it on—and usually the pain is gone!

Many doctors and nurses use Musterole and recommend it to their patients.

They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

Social Calendar

Tuesday

"4500" Club, with Mrs. Ed Pizman at 525 North Jackson street, in the evening.

S. E. T. Club, with Mrs. Will Coleman at 302 East Sixth street, in the afternoon.

Penny Social of the W. R. C., with Mrs. C. M. Yocum at 601 North Main street in the afternoon.

A dinner-dance will be given at the Social Club one week from tomorrow evening.

Miss Marjorie Cox had as guests at supper last evening Miss Effalee Frazier, Cliff Gotman and Byron Newhouse.

The Card Club which was to have met with Mr. and Mrs. Ferd Retherford tomorrow evening has been postponed until a later date.

Mr. and Mrs. Frank Flint entertained at a prettily appointed dinner yesterday Mr. and Mrs. R. C. Hargrove, Mr. and Mrs. A. R. Holden and Miss Laura Holden.

Mr. and Mrs. Sam Young had as dinner guests yesterday Mr. and Mrs. George Young, Mr. and Mrs. Will M. Sparks and children, Dorothy and William and Guy McBride of Mays.

The officers and teachers of the St. Paul's M. E. Sunday school will be entertained on Wednesday evening by Miss Helen Scudder at her home in West Second street. An important business meeting will be held.

Mrs. Fannie O. Smith entertained with a family dinner at her home in North Harrison street yesterday honoring her daughter, Mrs. Jerry Fish of Indianapolis. An elegant dinner was served. Those attending the pleasant family reunion were Mr. and Mrs. Jerry Fish and son, Russell Fish, of Indianapolis, Dr. and Mrs. W. C. Smith and children, Norma and Conwell, Mrs. Elizabeth Groves, Mr. and Mrs. J. H. Frazee,

and Mr. and Mrs. Walter E. Smith and son, John Edward.

The B. Y. C. D. class of the First Baptist church will have the regular business meeting tomorrow evening following the revival service in the class room at the church.

The house-guests of Miss Elsie Frazee and Miss Phyllis Dean, who are here from Oxford college for a short visit, were honored yesterday with a number of lovely affairs. At high noon, a dinner was given in their honor at the Scanlan house by a number of their boy friends. There the small tables were centered with bouquets of pink carnations and a three-course dinner was served. Covers were laid for the Misses Marie Clark, Phyllis Dean, Laverne Davis, Margaret Cox of Kentucky, Lucile Abel of Kentucky, Ingeborg Johnson of Texas, Isabelle McNeil of Illinois, Marion Tittsworth, and Elsie Frazee, and Clifford Stevens, Howard Finnegan, Paul Thorpe, Byron Cowling, Paul Parrish, Tom Saunders, Harry Hackman, Ralph Martin and Paul Newhouse.

During the afternoon, the same group was entertained at the home of Miss Marie Clark in North Sexton St. During the social time while becoming acquainted with the guests of honor, music was played on the Victrola and light refreshments were served.

Miss Helen Osborne entertained last evening at supper honoring the four attractive college girls who are the visitors here. A delicious supper was served during the delightful informal time. The same group of girls were entertained and in addition Miss Sylvia Mullins. During the evening the following boys were the guests: Harold Perkins, Robert Vredenburg, Willard Bearly of Connersville, Clifford Stevens, Paul Thorpe, Paul Parrish, Tom Saunders, Ralph Martin, Paul Newhouse and Harry Hackman.

Saturday evening an equally pleasant affair was given at the home of Miss Sylvia Mullins in the form of a pitch-in supper. Aside from the guests of honor, the Misses Johnson, McNeil, Abel and Cox, the girl friends invited in were the Misses Clark, Dean, Davis, Tittsworth, Frazee, Harriet Smith, Charlotte Norris, Helen Osborne and Kathryn Wooden.

New Season's Fashions Shown in Coats and Suits

This week---an advance showing of spring modes in coats and suits will be made in our windows and on our second floor, comprising distinctly different models not seen elsewhere. The use of soft wool, khaki-kool, Jersey cloth, wool poplin, man's wear serge and gaberdine is noteworthy in this showing of modish garments. These beautiful materials include a wonderful range of colors and shades, among which are cement, chartreuse, apple green, both in plain check, gold, American beauty and rooky.

Altho the weather indicator does not point to spring garments, nevertheless these models serve as an indicator for spring fashions. We shall be glad to show the trend of styles to all of our customers. This is an opportunity for you to be prepared for the first spring day.

We are showing a complete line of place cards, seals, favors, crepe paper, paper napkins and decorations for the Valentine season. Those expecting to entertain will profit by seeing our beautiful display.

The Mauzy Company

A K. of P. dance will be given on Thursday evening of this week.

A prettily appointed dinner was given at the home of Mr. and Mrs. Ben Sparks in North Main street yesterday when their dinner guests were Mr. and Mrs. Howard Mahin and son, Jack, Mr. and Mrs. Charles Offutt and Mr. and Mrs. Albert Fleechart and daughter, Elizabeth.

Mr. and Mrs. Will Meredith had as dinner guests yesterday Mr. and Mrs. Lot Holman and daughter of New Salem, Allen Coleman of Sweet Water, Ill., and Mr. and Mrs. J. G. Bennett of this city. Mr. Coleman, who has been the guest of relatives here for the past few weeks, returned to his home today.

A number of the friends of Mr. and Mrs. Roy Waggener were entertained at their home in North Morgan street yesterday with a pitch-in dinner. Those enjoying the day together were Mr. and Mrs. Will Alexander and sons, Donald, Hubert and Ivan, Mr. and Mrs. Herschell Daubenspeck, Mrs. Ernest Staidi and child, Mrs. Clawson and daughter, Marie, Mr. and Mrs. Austin Frazee, Miss Emma Blackledge and Mr. and Mrs. Ed Frazee.

Several interesting features have been added to the program for the C. W. B. M. for Wednesday, which will be held in the basement of the Christian church. Mrs. Vernon Marsters of Honduras, formerly Miss Effie Coleman of this city, will give a talk on "Conditions in Central America." Mrs. John G. Gartin will have charge of the Bible Study. The general theme for the program is "The Spanish Southwest of the United States," and Mrs. Will Dill will deal with the phase of the work touching on "Conditions Today," also giving a historical sketch of the country. Mrs. Carl Behr will sing a solo. The ladies of the February division are hostesses for the meeting, with Mrs. Austin Frazee as captain, and Mrs. L. C. Lambert, assistant captain.

Mr. and Mrs. A. P. Reynolds entertained at their home in Glenwood yesterday Mr. and Mrs. Will Trennepohl and son Vernal of this city.

The Ladies Aid society and Missionary society of the First Baptist church have postponed their meetings for this week until a later date on account of the revival services.

Mrs. C. M. Yocum, Mrs. Eva Offutt and Mrs. James Mattox will be hostesses for the meeting of the W. R. C. Penny Social to be held at the home of Mrs. Yocum in North Main street tomorrow.

Mrs. Will Trennepohl and Mrs. Elsie Gregory will be hostesses at the meeting of the Juanita Club to be held at the home of Mrs. Trennepohl on Wednesday afternoon of this week.

The first anniversary of the founding of the Epworth league of the St. Paul's M. E. church, which had its meeting one year from last night, will be celebrated tomorrow evening in the church with a social. The boys who were on the winning side during the contest which was recently held for attendance will furnish the entertainment during the evening and they are promising some clever "stunts." It is to begin at 6 o'clock and the first part of the evening will be given over to an old fashioned box social. The girls are asked to bring boxes containing lunches and if possible to decorate them attractively for the Valentine holiday. The boys will eat their supper with the girl whose box they buy. The boxes are to be auctioned shortly after six o'clock. All those who have been attending the League and are interested in it are invited and urged to attend. The social is in charge of the social committee, of which Miss Helen Scudder is chairman.

TURPO

Turpo is good for many things besides loosening coughs and breaking colds. Try it for headaches, neuralgia, pains and lameness. The turpentine penetrates. The menthol and camphor cool and soothe.

Try it also for cuts, burns, bruises, sprains and sores. Turpo is good for so many things that the prudent housewife keeps it always on hand 25c, 50c, \$1.00 at your Druggist's.

Don't neglect an aching back. Backache is often the kidneys' cry for help. Neglect hurrying to the kidneys' aid. Means that urinary troubles may follow. Or danger of worse kidney trouble. Here's Rushville testimony. Mrs. Sallie Levi, 931 N. Sexton St., Rushville, says: "My back at times becomes weak and lame and the kidney secretions are too frequent in passage and very annoying. Every time I have been this way, I have procured a box of Doan's Kidney Pills from Johnson's Drug Store and they never fail to relieve me. Nothing I have ever taken has done me so much good." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Levi uses. Foster-Milburn Co., Props., Buffalo, N. Y.—(Adv.)

NEGRO GOVERNOR SAVED ON TRIAL

Kentucky People Wonder if Stanley Will Have to Take Hand This Time.

PRECAUTIONS WERE TAKEN

(By United Press.)
Murray, Ky., Feb. 5.—With the trial of Lybe Martin, negro, scheduled to begin here today, local authorities were wondering whether the remarkable oratorical powers of Governor A. O. Stanley would again be necessary to keep him from being lynched.

Martin is charged with the murder of Guthrie Duiguid, a policeman. When his trial came up January 10 Judge Charles Bush and Denny Smith, commonwealth attorney, agreed that the feeling against the negro was too intense for a trial at that time and had the negro spirited away. The crowd became a mob and throughout the following night threatened to dynamite the hotel where Judge Bush and Smith spent the night.

Governor Stanley rushed to Murray on a special train, declaring that the mob would have to attack the governor of Kentucky before it attacked Judge Bush and Smith. He pleaded with the mob and it finally dispersed. Special precautions were taken to guard the negro today.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority.

He says that a few drops of a drug called freezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out.

This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce of freezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

BAD FIRE BARELY AVERTED

Roof of Fred Lightfoot's Home Near Raleigh in Flames Today.

A bad fire was averted this morning at the home of Fred Lightfoot, one mile and a half southeast of Raleigh by the water tank being in the upper story of the home near where the fire started on the roof. It is thought a flying spark from the furnace coming through the chimney started the flames at the lower part of the roof, which was burned nearly to the top on one side. The men employed on the farm threw water on the flames from the tank, soon extinguishing them, otherwise the house would have burned. The fire occurred about nine o'clock this morning.

Damage Suit of John A. Gray Against A. L. Gary at Shelbyville.

The trial of the damage suit of John A. Gray against A. L. Gary will start tomorrow in the Shelby circuit court. Gray demands \$5,000, alleging that he lost a damage suit through bad advice on the part of Gary, who was one of his attorneys. Mr. Gary will be defended by a large number of attorneys, including Tittsworth and Oneal, Kiplinger and Smith and Douglas Morris of this city and Hord and Adams of Shelbyville. Gray is represented by Himeleck and Goble of Connersville, and Carter, Hall, Pell and Williams of Shelbyville. The case will probably require two days.

RUN-DOWN WOMAN

Made Strong by Our Vinol

Fort Edward, N. Y.—"I was in a run-down, nervous and weak condition, so I could not do the housework for my little family of three. I had taken cod liver oil emulsions and other remedies without benefit. A friend told me about Vinol. I tried it and it soon built up my strength and made me a well woman so I now do all of my housework."—Mrs. ELMER GLIDEN.

SUFFRAGE BILL COMES UP NEXT

Legislature Must Dispose of This Measure Before Taking up Administration Program

SENATE MEETS THIS MORNING

One of Most Important Measures for Consideration is the Absent Voters Bill

(By United Press.)

Indianapolis, Ind., Feb. 5.—With the constitutional convention bill out of the way and the prohibition measure practically disposed of, the Indiana legislature today had one more measure to dispose of before taking definite action on administration and other bills—woman suffrage.

The senate met this morning and it was expected that the upper house would again make an attempt to take action on the Maston suffrage bill immediately. The measure now rests on the floor of the senate—having been taken from the committee last Friday on motion of the author.

The suffragists are demanding immediate action on their bill and are making desperate efforts to keep it from being side-tracked by other legislation.

Scores of suffragists planned to gather tomorrow to make a concentrated drive on the legislators to enact the bill giving women the right to vote. They were planning a demonstration such as was made in favor of prohibition.

The senate was also today expected to adopt resolutions endorsing the stand taken by President Wilson in the crisis with the German government—such as was adopted by the house of representatives on Saturday.

One of the most important bills scheduled to come before the senate today for passage was the English bill making provision for voters who are absent from the precinct in which they live, on election day, to cast their ballots.

A similar bill, introduced by Representative Kessler of Peru has passed the house.

Senator Norman's bill which would force shippers of dynamite to place special labels on the packages was a special order of business for 2 o'clock this afternoon. The bill, when it was up for third reading, met with considerable opposition.

Other measures scheduled for third reading today were:

Reser's bill providing for monthly teacher's institutes.

Hudgin's bill providing that cities of the fourth and fifth class may combine the offices of city clerk and treasurer.

Simmons' bill regulating traffic when street cars are loading or discharging passengers.

Laney's bill legalizing the sale of school lands purchased for experimental purposes.

Reidebach's bill authorizing counties to erect and maintain coliseums and auditoriums.

Nedji's bill providing that cities may collect a 2 per cent tax on foreign insurance companies doing business in the state to provide a fireman's pension fund.

Kinder's bill providing for temporary loans by school boards.

Humphrey's bill which would make school superintendents elective instead of appointive was a special order of business for 10 o'clock today.

PEACE REFUSAL LEFT NO OTHER WAY

Says America Denied Germany As-
sistance and That Berlin Has
Broken no Pledges

(By United Press.)

Berlin, Feb. 5.—"There is no step backward," declared Foreign Secretary Zimmerman in an interview published today, in commenting on President Wilson's breaking off relations with Germany.

"President Wilson's decision is astonishing," declared Zimmerman.

"The entente's refusal of our peace overtures left us with no other step open except unlimited submarine warfare in the fight for our existence against the entente's violation of international law.

"America denied us assistance. We made no conditional promises to avoid unlimited submarine warfare. We have broken no promises. We hope President Wilson will warn Americans from the blockade zone."

GERMANS STEELED FOR ANYTHING NOW

To Observers in Berlin, Any Draw-
ing Back From Recent An-
nouncement Would Surprise

AMERICANS EXPECTING WAR

BY CARL W. ACKERMAN
(U. P. Staff Correspondent.)

Berlin, Feb. 4 (Delayed).—Every American in Berlin is preparing for war between Germany and the United States.

News of the break was first printed today. The report spread like wildfire all over Berlin.

Late this afternoon Ambassador Gerard had not received official notification of the break. At that time, however, he went for an hour's conference with Foreign Secretary Zimmerman. When he returned his manner was grave.

To observers here any drawing back by Germany from her announcement of unlimited submarine warfare would be the greatest surprise of the war.

With new troops constantly going to the front, with Zeppelins flying over the city, with daily reports of submarine successes and the news of successful throwing off of entente attacks on all fronts, the public is steeled to further sacrifices.

The American embassy was a picture of gloom. Official word was anxiously awaited.

Administration Would Avoid Break

(By United Press.)

Washington, Feb. 5.—Austria has sent the United States a note practically identical with the German announcement with respect to unrestricted sea warfare but despite this the administration is making every effort to get a change on Austria's part and avoid a break similar to the German rupture.

These negotiations have proceeded for the past two days. Because of them the state department had

WARNS AGAINST PANIC OR HASTE

Administration Urges Nothing be
Done That Might Embarrass
This Government

TO ADHERE STRICTLY TO LAW

(By United Press.)

Washington, Feb. 5.—Warning to the country against doing anything in panic or haste that might embarrass the government seriously in its present international situation was issued today by the administration. The official warning came in view of the report that German ships were being seized, something that has not and will not be done unless war is declared.

The president feels there is no panic nor haste warranted at the present time and has declared that whatever other governments may do, this government is going to adhere strictly to the letter of the law.

GETS HIS FORMAL ORDER TO PACK UP

Ambassador Gerard Acts on Orders
From Washington and Pre-
pares to Leave Berlin

BESIEGED BY AMERICANS

(By United Press.)

Berlin, Feb. 5.—American Ambassador Gerard received the United States government's formal telegram which withdraws him from Berlin, at ten o'clock Sunday night. He expected to deliver the American government's statement to Foreign Secretary Zimmerman at eleven o'clock Monday morning.

Early Monday morning the American embassy building was thronged with Americans seeking advice and help. All embassy employees have received notice from the ambassador to be ready to leave at any moment. So far as is known, the route which the American diplomatic staff will take to America has not been determined. It is probable, however, that the staff will travel via Spain.

It was stated today that Ambassador Gerard will not leave before Thursday. Gerard worked until midnight Sunday arranging embassy affairs and conferring with his staff preparing to leave.

SUPPORT IN SOUTH- AMERICA UNLIKELY

President's Suggestion For Joint Ac-
tion Received in Very Cool Man-
ner by Ruling Class.

LOWER CLASS IS PRO-ALLY

By CHARLES P. STEWART.
(U. P. Staff Correspondent.)

Buenos Aires, Feb. 5.—President Wilson is most unlikely to receive much South American support in his suggestion for joint neutral action if editorial comment is any standard by which to judge.

In Argentina it is necessary to differentiate below the lower and the former class—the most numerous—is pro-United States because it is pro-ally. But the upper class controls the policy of the nation. And it is coldest toward the United States.

The same situation exists in other South American republics.

WIRELESS IS INDEFINITE

Berlin Message Says Further Con-
cessions Are Considered

(By United Press.)

London, Feb. 5.—Wireless messages from Berlin today said:

"Negotiations are proceeding as to further concessions in the U-boat warfare without prejudicing its purposes."

The dispatch is evidently based on wireless interchanges which were "picked up" by British wireless stations. The announcement did not state between which nations the negotiations were proceeding.

The quarterly conference which was to have been held at St. Paul's M. E. church tonight has been postponed until Friday night.

AND HE NEVER MENTIONED IT

Weather Man, the Thoughtless Brute,
Forgets to Say Anything About
Sunday Blizzard

SLIPPED IN UNANNOUNCED

Sharpest Change in Temperature
Catches Patiently Suffering
Populace Unawares

Just when a patiently suffering populace thought that the weather man was going to deal kindly with them, another cold wave, more severe and intensely bitter than any of the winter swept down out of the northwest from Medicine Hat and sent the mercury below zero and humanity indoors around the fire.

What made it an even more bitter pill was that the weather man was so thoughtless as not to mention it Saturday. He has been very considerate of the welfare of his people up to date, but Saturday he made a fizzle because he said nothing about the temperature going to drop thirty degrees right in broad daylight where everybody could see it.

But that's what the temperature did, anyway. Yesterday morning Rushville arose to find a greatly moderated temperature, and convinced that Jack Frost would not be abroad in such large quantities, carefully dressed and went to Sunday school and church.

But the surprise they got when they emerged from the warm church at noon!

During the interim the mercury had made that sensational slide for a little pocket at the bottom of the tube. At 9 o'clock when those who had the temerity to venture out started, it was cold, to be sure, but the temperature was only a few degrees below freezing. At noon it was too near zero to be comfortable. At five o'clock in the evening it was six below zero. And during the afternoon a blizzard, such as has not been seen in these parts for years, had been raging.

After such an afternoon as that Sunday, anything could be expected last night, but the weather was what might be called decent. The government thermometer at Manzy registered seven degrees below zero at seven o'clock this morning and showed that some time during the night the mercury had gone down to ten below zero. The same temperature was registered in Rushville at midnight, it was reported.

Today the weather man promised moderation and there was every indication at noon that he had hit it this time. The mercury was slow in climbing, but one little degree was a lot after what had happened Sunday. Fair weather was predicted and much warmer weather tomorrow. The mercury had risen to 8 above at noon.

Trains were late yesterday and today and travel on the country roads was almost stopped. The snowfall was not heavy but the blizzard caused it to drift and made many places on the roads impassable.

The streets were practically deserted. Church attendance was cut down and no other public meetings were held. So few people appeared at the First Presbyterian and the St. Paul's M. E. churches that no services were held last night. Only a few ventured forth for the Christian and First Baptist church services.

Miss Fannie Brooks is ill at her home in West Fourth street with tonsillitis.

Floyd Hogsett is ill at his home with lumbago.

Miss Rita Gilson is ill at her home in this city.

WILL TAKE FINAL ACTION FEBRUARY 15

County Fair, Board is Unable to
Settle About Future Today Be-
cause of Lack of Quorum.

GROUND'S LIKELY TO BE SOLD

Final disposition of the proposition to sell the Rush county fair grounds and abandon the fair association, an organization of seventy years' standing, will be made on Thursday, February 15. At a meeting this afternoon of the directors nothing definite could be done because a quorum was not present. The secretary was instructed to notify the twelve directors of the association of the meeting one week from Thursday and to urge all of them to attend.

Present indications point to the selling of the grounds, but in case the fair should be held the date will be the week following the state fair, which is the week of September 11. So far no one has offered to come to the aid of the association and there is every reason to believe that the business of the association will be closed and the grounds sold. A. L. Stewart presided at the meeting this afternoon in the absence of W. A. Alexander, who is ill.

MANY OUT AT THE ELEVENTH HOUR

Several More Candidates File De-
clarations to Make the Race in
the City Primary.

J. C. BRANN WITHDRAWS TODAY

Opposition Develops to the Republi-
can Candidates for Three
Ward Councilmen.

Several additional candidates filed their statements with City Clerk Gunning late Saturday afternoon. Fred Boxley announced his candidacy as candidate for city clerk on the democratic ticket. This makes five candidates for the nomination on the democratic ticket.

O. C. Brann announced his withdrawal from the race for the nomination of mayor on the republican ticket. This leaves the field to Harley Frazier, A. B. Irvin and Clara L. Bebout. Mr. Brann stated that he did not have the time to devote to the campaign and the office, should he be elected.

The primary will be held one month from tomorrow and the fight for the several places promises to be warm. Chief interest centers on the republican contest for mayor and clerk and the democratic contest for clerk. The republicans have three candidates for clerk, Earl Osborne, Albert Sweet and Walter Easley. The democratic candidates are Ozro Farthing, Wilbur Stevens, Charles Newkirk, Sam Morgan and Fred Boxley. The republican candidates for councilmen have opposition in all three wards. Clay Benedict and A. P. Wagoner seek the nomination from the Third ward; Frank Abernethy is opposed by Clair Johnson in the First ward, and in the second the republican candidates are Ed Lee and Homer Cole. The candidates for councilmen-at-large, Chase Manzy and R. F. Seudder, have no opposition.

The only democratic contest for councilman is in the First ward where Frank McIlwaine and Morris Winship seek the nomination.

Dr. E. E. Young of Kokomo, son of Mr. and Mrs. Sam Young of this city, who has been quite ill and was operated on recently, is able to be out now.

FEBRUARY TERM OF COURT OPENS

Reading Docket and Making Up Is-
sues Constitutes Most of the
Day's Business.

GAMING CASE ON TOMORROW

Bennett Webb of Carthage is Arrest-
ed for Malicious Trespass and
Gives \$50 Bond.

The February term of the circuit court opened today. The usual reading of the docket and the making up of issues constituted most of the business. The large court room was too cold and court was held in the small room just off of the court library.

The term promises to be a busy one. The jury has been called for tomorrow, when the case against Charles Perkins, charged with gambling, will be heard. This is the first of the cases growing out of the activities of the recent grand jury when seventy-nine indictments were returned. Perkins is charged in two indictments with gaming.

Bennett Webb of Carthage was arrested this morning on a bench warrant issued from circuit court, charging him with malicious trespass. He was arraigned and released on bond in the sum of \$50. The manager of the Carthage electric light plant filed the charge against him, claiming that Webb tore down an electric light. Webb claims that if he did was not aware of the fact. The light was torn down when he went through Carthage with a load of hay, the hay being piled so high that it broke the electric light wires.

In the case of Mary Jones against Frank Windate, to revoke a widow's waiver and to annul letters of administration, Windate resigned as administrator and the case was dismissed. Mrs. Jones, who is the widow of Frank Jones, who was electrocuted at the Big Four bridge last month, claimed that Windate induced her to sign a paper permitting him to become the administrator of her husband's estate. In the petition to the court she set out that she did not even know Windate.

The case of Albert Curry against Robert Tompkins, for liquidated damages, demanding \$1,759.55, was dismissed by the plaintiff.

James Kratzer, a justice of the peace, filed a new bond and Alva Newhouse was released from the bond. Newhouse was the only person on the bond and he desired to be released for this reason.

The case of Samuel L. Trabue, trustee in bankruptcy for Edward Crosby against John Laughlin of Falmouth on an account, demanding \$53.85, was dismissed and the costs paid.

The petit jury for this term is composed of the following: Eli Collins, Posey township; Edson L. Eakin, Washington; Cyrus Hilligoss, Orange; John M. Hittle, Union; Clark, Center; Peter S. Hollowell, Clarence Kenner, Noble; John L. Center, George Wissing, Walker; Edgar E. Logan, Richland; Walter Patton, Richland; George Hasty, Anderson, and Luther Rennegar, Ripley.

The grand jury is composed of the following: Walter G. Carson, Washington; Leon McDaniel, Posey; Frank Huddleston, Center; James H. Martin, Richland; James Shanahan, Rushville; Charles G. Garney, Noble.

INFANT JACKSON DEAD

Ida Jackson, the four-month-old daughter of Mr. and Mrs. Edward Jackson, died Sunday morning at 5:30 o'clock at her home in North Oliver street. The funeral services were conducted this morning and burial took place in the Upper cemetery.

BAPTIST REVIVAL OPENS
Weather, However, is Not Very
Auspicious for First Meeting

The revival was opened at the First Baptist church last night though the weather was so severe that most people kept close to the fire all day and attendance at all the churches was affected. The Rev. C. B. Jones of Greensburg arrived to-day and will preach at the revival to-night for the first time. He will be here all during the protracted meetings. The song service and short prayer service will be held at seven o'clock and the sermon will be preached at seven-thirty.

CARD OF THANKS
We wish to thank our friends and neighbors for the kindness shown to us during the illness and death of our mother, Mary A. Alger.
Also to Wyatt & Sons and Rev. W. M. Whitsett, for the kind and efficient way they conducted the services and to Omer Trusler who beautifully sang.
We also wish to thank those who so faithfully attended her in her illness.

on Leander M. Carr and Theodore Humphrey Highways.

COPPER FROM ROOF IS SOLD

William Avery was awarded the contract for two roads—the Leander M. Carr road in Anderson township and the Theodore Humphrey road in Richland township — this afternoon by the county commissioners. The contract price for the Carr road was \$5,600 and the price of the Humphrey road was \$4,500. Sam Jaffe of Richmond was awarded the contract for the old copper on the court house roof, his bid being \$22.50 a hundred pounds.

S. H. Colter and Son was the only other bidder for the two roads. Colter bid \$6,000 on the Carr road and \$4,750 on the Humphrey highway. Both roads are about a mile in length.

Lewis Hunter of this city submitted a bid of \$18.50 a hundred for the old copper.

British Newspapers Devote 60 Per Cent of Space to America.

By LOWELL MELLETT
(U. P. Staff Correspondent.)
London, Feb. 5.—British newspapers believe the turning point in the war has been reached. Today's papers devoted 60 per cent of their space to the United States.

American news and analysis of American naval strength was featured almost to exclusion of news from the various fronts and discussion of England's own internal affairs.

Senator Stone Takes Back Resolution Indorsing President

(By United Press.)
Washington, Feb. 5.—After presenting a resolution asking the senate to indorse the action of President Wilson in breaking relations with Germany, Senator Stone a few moments later withdrew his motion when Senator Lodge moved for a roll call.

Stone then asked for action on his resolution tomorrow.

PUBLIC SALE OF LIVE STOCK

The undersigned will sell at Public Sale at the Cullen farm, one and one-mile west of Rushville, on

WEDNESDAY, FEBRUARY 14th, 1917
the following described live stock.

12 Draft Mares

These are a useful lot with plenty of size, bone and substance, four to eight years old, sorrels, bays, browns, blacks and grays. Some good pairs among them. Ready any day for the plow. Some in foal.

AVAIL YOURSELF OF THIS OPPORTUNITY

30 Head of Cattle

TWELVE SHORTHORN COWS AND HEIFERS

This is an exceptionally good bunch, all bred to Registered bull, some with calves at side. A lot of first class milkers.

Five Polled Shorthorn bulls, almost ready for service, an extra fine bunch. Also a few heifer calves. One coming two-year-old steer, a good one. The red, white and roans were never more popular. Buy a few good ones.

SIX HEAD OF SELECT JERSEY COWS

to be fresh soon or calves at side. This is a chance for a good butter cow.

85 Head of Hogs

60 — DUROC SOWS — 60

This, I think, is one of the best and most uniform offerings I have ever presented to the public and certainly there was never a more opportune time to invest in a good brood sow. They are strictly pure-bred, out of mature sows and boars and bred to boars out of \$500 and \$1000 sires, for March and April farrow. They have had plenty of exercise, are strong and vigorous and should prove a profitable investment at almost any price. Come, take a few good ones home with you.

ONE YEARLING BOAR. TWO SPRING BOARS.
TWENTY-FIVE CHOICE FEEDERS

20 Shropshire Ewes

Sired by an Imported Ram

Their dams and grand-dams for several generations are also by Imported sires. One to four years old, bred to Registered Ram. Sheep and wool are so high in the market I hesitated to make this offering, but hope the opportunity to get a few such ewes will be appreciated.

SALE TO BE HELD ENTIRELY UNDER COVER AT THE CULLEN FARM, BEGINNING AT 10:00 A. M. SHARP, WEDNESDAY, FEBRUARY 14, 1917.

NIGHTIES CAN'T BE SHOWN

(By United Press.)
Topeka, Kan., Feb. 5.—Two members of the state film censorship board rejected a film because a young woman in her nightie opened the curtains of a Pullman berth and peeked across the aisle at the man she loved. The nightie was cut too low, the disapproving censors said.

Duroc Sow Sale

I will sell in warm building, right in town, 40 head of bred, pedigreed, tried Sows and Spring Gilts.

**Saturday,
February 10, '17**
GREENFIELD, IND.

Most of these sows are bred to 1000 pound boars. Strictly high quality, strong growth animals. Best breeding—Very kind all progressive farmers ought to raise. Also sell few Fall Boars and Gilts.

BAPTIST REVIVAL OPENS

Weather, However, is Not Very
Auspicious for First Meeting

The revival was opened at the First Baptist church last night though the weather was so severe that most people kept close to the fire all day and attendance at all the churches was affected. The Rev. C. B. Jones of Greensburg arrived to-day and will preach at the revival to-night for the first time. He will be here all during the protracted meetings. The song service and short prayer service will be held at seven o'clock and the sermon will be preached at seven-thirty.

CARD OF THANKS
We wish to thank our friends and neighbors for the kindness shown to us during the illness and death of our mother, Mary A. Alger.
Also to Wyatt & Sons and Rev. W. M. Whitsett, for the kind and efficient way they conducted the services and to Omer Trusler who beautifully sang.
We also wish to thank those who so faithfully attended her in her illness.

What is the Cause of Rheumatism, Lumbago and Gout?

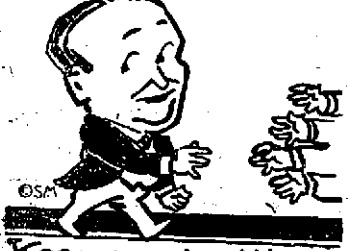

(By Valentine Mott Pierce, M. D.)

Ever since Scheele, in 1775, discovered that uric acid was present in the system, scientific men have been making experimental investigations and it is the almost universal opinion of our best medical men that the presence of uric acid in the system in excess is the cause of rheumatism and gout. When the uric salts are precipitated out of the blood into the solid tissue-structure the person suffers from gout and rheumatism in the muscles and joints, or suffers from lumbago and pain in the back muscles. The first aim of the sufferer should be to get rid of the uric acid, which, in excess, is a poison, and to do this it is well to drink about a pint of hot water morning and night—get tablets of Anurie (double strength) at the nearest drug store and take them before meals regularly. Anurie will do no harm to the system and will carry off the uric acid by stimulating the kidneys. Then, tincture iodine may be painted over the swellings, or in more severe cases hot linseed poultices may be used. But most important is it for the sufferer to abstain from meat, to diet, drink only lemonade or hot water, and take Anurie for a considerable time as it causes a drainage outward of the uric acid and is many times more potent than lithia and usually one finds that it dissolves uric acid as hot water does sugar.—(Adv.)

Helen Clark

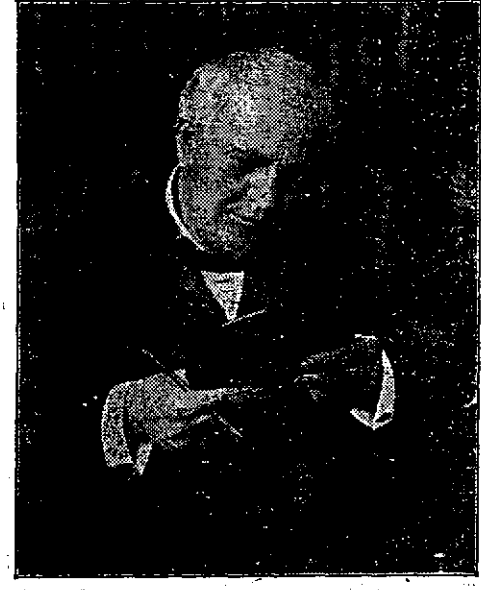

Popular Concert Contralto

An American girl who has gained great popularity because of her rich voice and sound musicianship.

Thomas A. Edison Wants You To Hear This Test

Tuesday Evening, February 13 at 8:15, United Presbyterian Church

Many famous artists have made these "Tone Tests." Read what the papers say:

"Impossible to distinguish between the singer's living voice and its re-creation by the instrument that bears the stamp of Edison's genius."

Boston Herald Nov. 19th, 1915.

"The ear could not tell when it was listening to the phonograph alone. Only the eye could discover the truth by noting when the singer's mouth was open or closed."

N. Y. Evening Mail, May 3d, 1916.

It was virtually impossible to distinguish between the real voice and the Re-Created voice of the singer."

Philadelphia Evening Telegram, April 28th, 1916.

"Christine Miller herself and Christine Miller on the Edison sang side by side. The two voices were so identical that when one or the other stopped it was impossible to detect it in the audience."

Cleveland Leader, Sept. 23d, 1915.

"Not possible to tell one from the other."

Detroit Free Press, Oct. 12th, 1915.

Music's re-creation! A reproduction of the human voice from the phonograph which the ear cannot distinguish from the living voice! Has Mr. Edison accomplished this miracle at last? Come—hear this astonishing test—and judge.

Miss Helen Clark, the popular concert Contralto will be here, at Mr. Edison's request, to offer you the only evidence by which you can really judge. She will sing side by side with Mr. Edison's re-creation of her voice! See if you can tell, without watching the motion of Miss Clark's lips, which is the living voice and which the re-creation.

What Is Your Judgment?

Mr. Edison insists upon this unique and daring test. For it tells more than the most vivid words can express. Its convincing frankness sweeps away all doubt. Mr. Edison wants your true judgment of his new musical art. He wants the judgment of every music lover. Has he re-created music? Has he eliminated all mechanical blemish? Has he preserved the living tones in all their reality?

He puts the original and his re-creation, before you—side by side. He hides nothing. Asks no allowances. He dares to make the vital test that no one else but he has ever ventured. And he asks you to decide.

Call or Write for Complimentary Tickets

We want all music lovers in this community to hear this interesting and convincing test. Complimentary tickets will be distributed to those who apply in person at our store or by mail. You and your friends are urged to attend. Mr. Edison recommends that children under three years of age be not admitted as they do not realize that they can mar the intent of this recital by crying or talking. We advise you to apply early before all tickets are exhausted.

History Reading Course.

In response to more than a thousand requests from various parts of the country, the Bureau of Education, Department of the Interior, has just added to its list of reading courses a reading course in American history. In announcing the new course Dr. P. P. Claxton, Commissioner of Education, declares:

"All American citizens should know more of the history of their country than can be learned from the meager outlines of the textbooks used in our elementary and high schools. That a large number of people should have such general and comprehensive knowledge of the country, its life and growth and the form and spirit of its institutions, as can be gained only from reading at least several of the standard histories is essential to the welfare of the Republic. At every national election and at many State and municipal elections the people are called upon to vote on policies which cannot be intelligently determined without such knowledge. Legislators and other representatives of the people are constantly in need of it. Only out of the history of the past can come an understanding of the principles by which they must be guided if they are to work wisely for the future. To read extensively and deeply in the history of the country becomes therefore a patriotic duty. Only thus can one love his land with 'love far brought out the storied past,' 'used within the present' and 'transfused through future time by power of thought.'"

"Those who have learned to read history find it the most interesting form of literature. The story of any country or of any great movement of any people, fitly told, is interesting, especially when the reader has learned to understand the relation to each other of the thought and feeling and purpose and action of the people. No country has a more interesting history than the United States, which, from its beginnings in the scattered settlement of immigrants from European shores 300 years ago and less, has grown to become the greatest, wealthiest, through colonial and national life, freest, and most powerful and most prosperous, the freest, the most self-controlled and self-restrained, the most firmly united nation the world has ever known. The story of the United States is the story not of dynasties and courts but of the people, their life, their industries, their aspirations and the democratic institutions through which they have sought to attain these aspirations, and every line of the story throbs with present interest and future meaning."

The list of books was selected by the bureau in co-operation with several well-known historians and educators, including Dr. W. H. Mace of Syracuse University, Dr. Wilbur F. Gordy of Hartford, Conn., Dr. Franklin L. Riley of Washington and Lee University, and Dr. William Starr Myers of Princeton University.

The books in the course were selected with a view to presenting a complete record of the United States, including the European background, exploration and settlement, the war of independence, the division over the civil war and reconstruction, sectional issues, economic development, and the concentration and expansion of the United States as a nation.

This course was designed primarily for those who have left school, but anyone is eligible who can find time to read. For particulars address the Home Education Division, United States Bureau of Education, Washington, D. C.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them, 10c and 25c per box. All druggists.

MANY CHANGES ARE ADVOCATED

Percy Haughton Started Something When he Proposed to Strengthen Offensive.

MANY SUGGESTIONS OFFERED

Some Would Amend Foul Strike Rule Others Would Change Pitchers.

BY H. C. HAMILTON.
(U. P. Staff Correspondent.)

New York, Feb. 5.—Percy Haughton started it when he declared the offensive side of baseball needed some changes, and then outlined a few. Now they're all doing it. They have advocated everything that could be thought of, almost, including abolition of curve balls.

One of the most recent suggestions along these lines is that a pitcher not be allowed to pitch his first two balls to the batter in the curve fashion. Each of the first two heaves should be straight and above board, it is contended. In this case the batter would get a toehold, lean far back and take a whack at the old cripple. He would be looking for it. Consequently the infielders would be ducking and the pitcher would be flat on the ground by the time the ball reached the plate.

Of course there are other things in the suggestions, among which is one that the pitcher not be compelled to place his first two offerings over the plate. He could make them a little wild if he wanted to and then hook over three for strikes. Naturally the batter would want those first ones and probably would take a crack at them even if they didn't come close.

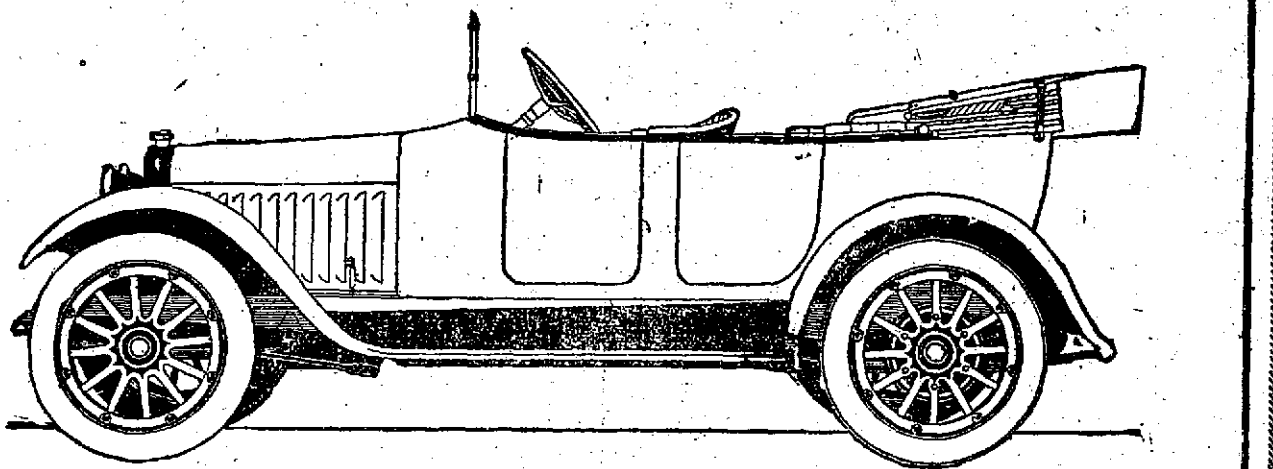

Another suggestion is that the foul strike rule be amended. One person even would have the foul lines moved farther to the left or right—as the case might be—to take in more territory. This person rightfully exclaims that when a batter gets hold of one and cracks it down the right or left field foul line a mile a minute he should be entitled to all the glory that goes with such a performance. He should either have the benefit of knocking the whey out of the ball, he believes, or should not be charged with a strike.

The abolition of the spit-ball has received serious attention and promises to be the one point that will be deeply considered. Gov. John K. Tener, president of the National league, is one of those who believe that foreign substances as represented by the spitball, are not needed in baseball.

CHALMERS SIX-30
The Highest-Grade Low-Priced Six-Cylinder Car

Built for those who want a thoroughly reliable, powerful, six-cylinder car at a reasonable price.

Wanted in every county—in every township—in America.
No other car so perfectly fits the needs of many thousands of buyers. It has size, beauty, power. It is economical and dependable. It can be bought at a moderate price.

Chalmers Style
Chalmers design, finish and accessories always have been beyond criticism.

The name of Chalmers stands always for a car of beauty. There is grace and harmony in every line and curve. Chalmers upholstery, tops and trimmings are goodness clear through.
No car at a less price approaches its charm. Few, even at much higher prices equal it.
Every Chalmers owner is proud of his car.

Chalmers Comfort
Smoothly elastic springs—built with costly vanadium steel—unbreakable in ordinary use, and unexcelled for luxurious riding.

Cushions firm, yet soft as eider down. Wide, ease-inducing seats. Ample room for even the tallest and longest.

A balance that exquisitely swings with the contour of the road, yet holds it with a grip of steel. Windshield just right; glove-fitting top and curtains; doors that don't rattle and joints that don't squeak.

Chalmers Performance
Scores of gold, silver and bronze trophies adorn the reception room at the Chalmers factory. They were won for speed, for hill-climbing, for endurance and economy.

In 1916 Chalmers cars won in recent events—Pike's Peak hill climb—record run from Chicago to New York—famous Giant's Despair climbing classic—and other convincing road performances.

To drive a Chalmers is a constant pleasure. The motor is a giant in velvet clothing—its smoothness and power delight all users.

In city-traffic slowness or at arrow-speed along the open road the Chalmers is supreme.

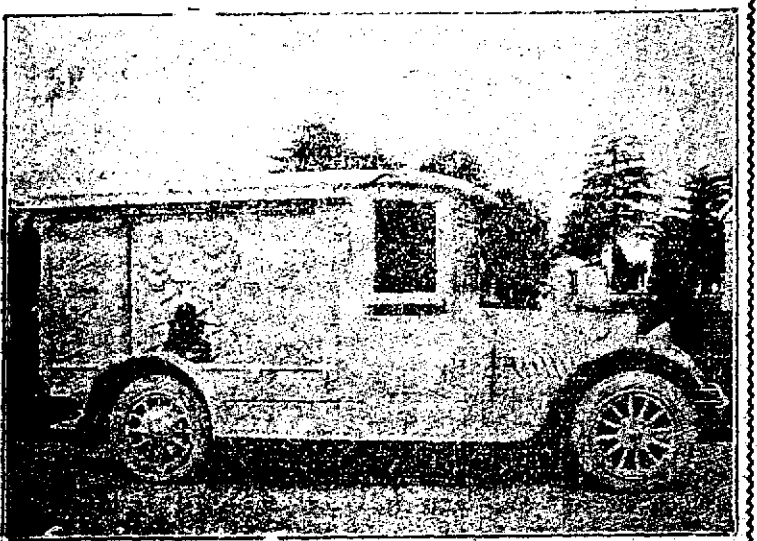

Chalmers Economy and Dependability

Economy begins with the price of the car. It is needless to pay more than the Chalmers price.

Upkeep is satisfyingly low. The car is economical of fuel and easy on tires. A Chalmers always can be depended upon to meet any conditions of roads or weather.

NEGRO WILL GO TO ELECTRIC CHAIR

Reuben Ellis Will Pay Death Penalty Tomorrow at Ohio State Penitentiary.

KILLED MATRON OF JAIL

(By United Press.)

Columbus, O., Feb.—Two negroes bent over a deck of cards in a cell in the Hamilton county jail at Cincinnati July 21 1916.

They played silently, slowly, precisely. Tensely they watched each draw. No ordinary stakes would exchange hands at the end of the game. They were gambling away a woman's life.

And the guard, passing slowly by, saw only two negroes sitting on the floor, playing a game of cards.

Reuben Ellis lost. He killed the jail matron, Anna Hart, with an iron bar, took the keys from her and with his partner, escaped. Ellis had paid the gambling debt with the matron's

life. Tomorrow he is scheduled to pay another debt. At dawn he is to be electrocuted in the Ohio penitentiary here.

Ellis is the forty-sixth to pay the death penalty in Ohio. Frank Early, whose life was snuffed out here 18 years ago, was the first negro electrocuted in the United States.

FARM IMPLEMENTS

Now that the season for planting another crop is here, we wish to call your attention to the line of equipments that we handle.

J I Case break plows. We claim they are not excelled by any. We have many of them in use here with such farmers as Bernie White, J. M. Amos, O. E. Humes, Thomas Miller, L. M. Clark—any of them will tell you what they are. We claim the best of work with the lightest draft. COME AND SEE THEM.

We also carry the famous Ohio Cultivator, both in single and two-row sizes. Now these people are a little slow to get out a two-row cultivator and have thus profited by the mistakes of others and today we have in the famous Ohio, the best two-row cultivator that goes to the field. Come and see it and I will abide your judgment.

You will find here the Johnson Harvester machinery and hay tools, the New Idea and Nisco spreaders, also Kerges wagons.

Aside from the guests of honor, the Misses Johnson, McNeil, Abel and Cox, the girl friends invited in were the Misses Clark, Dean, Davis, Tittsworth, Frazee, Harriet Smith, Charlotte Norris, Helen Osborne and Kathryn Wooden.

New Season's Fashions Shown in Coats and Suits

This week---an advance showing of spring modes in coats and suits will be made in our windows and on our second floor, comprising distinctly different models not seen elsewhere. The use of soft wool, khaki-kool, Jersey cloth, wool poplin, man's wear serge and gaberdine is noteworthy in this showing of modish garments. These beautiful materials include a wonderful range of colors and shades, among which are cement, chartreuse, apple green, both in plain check, gold, American beauty and rooky.

Altho the weather indicator does not point to spring garments, nevertheless these models serve as an indicator for spring fashions. We shall be glad to show the trend of styles to all of our customers. This is an opportunity for you to be prepared for the first spring day.

We are showing a complete line of place cards, seals, favors, crepe paper, paper napkins and decorations for the Valentine season. Those expecting to entertain will profit by seeing our beautiful display.

The general theme for the program is "The Spanish Southwest of the United States," and Mrs. Will Dill will deal with the phase of the work touching on "Conditions Today," also giving a historical sketch of the country. Mrs. Carl Beher will sing a solo. The ladies of the February division are hostesses for the meeting, with Mrs. Austin Frazee as captain, and Mrs. L. C. Lambert, assistant captain.

The Tuesday Afternoon Study Club will be entertained tomorrow afternoon by Mrs. Will Dobbins at her home in Raleigh.

The Sunshine Embroidery Club will be entertained on Wednesday afternoon of this week by Mrs. Charles Elwell at her home in Raleigh.

DIRE DISTRESS

It is Near at Hand to Hundreds of Rushville Readers

Don't neglect an aching back. Backache is often the kidneys' cry for help. Neglect hurrying to the kidneys' aid means that urinary troubles may follow. Or danger of worse kidney trouble. Here's Rushville testimony. Mrs. Sallie Levi, 931 N. Sexton St., Rushville, says: "My back at times becomes weak and lame and the kidney secretions are too frequent in passage and very annoying. Every time I have been this way, I have procured a box of Doan's Kidney Pills from Johnson's Drug Store and they never fail to relieve me. Nothing I have ever taken has done me so much good." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Levi uses. Foster-Milburn Co., Props., Buffalo, N. Y.—(Adv.)

NEGRO GOVERNOR SAVED ON TRIAL

Kentucky People Wonder if Stanley Will Have to Take Hand This Time.

PRECAUTIONS WERE TAKEN

(By United Press.)

Murray, Ky., Feb. 5.—With the trial of Lube Martin, negro, scheduled to begin here today, local authorities were wondering whether the remarkable oratorical powers of Governor A. O. Stanley would again be necessary to keep him from being lynched.

Martin is charged with the murder of Gathier Duiguid, a policeman. When his trial came up January 10 Judge Charles Bush and Denny Smith, commonwealth attorney, agreed that the feeling against the negro was too intense for a trial at that time and had the negro spirited away. The crowd became a mob and throughout the following night threatened to dynamite the hotel where Judge Bush and Smith spent the night.

Governor Stanley, rushed to Murray on a special train, declaring that the mob would have to attack the governor of Kentucky before it attacked Judge Bush and Smith. He pleaded with the mob and it finally dispersed. Special precautions were taken to guard the negro today.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter, wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority.

He says that a few drops of a drug called frezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out.

This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue.

It is claimed that a quarter of an ounce of frezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.

BAD FIRE BARELY AVERTED

Roof of Fred Lightfoot's Home Near
Raleigh in Flames Today.

A bad fire was averted this morning at the home of Fred Lightfoot, one mile and a half southeast of Raleigh by the water tank being in the upper story of the home near where the fire started on the roof. It is thought a flying spark from the furnace coming through the chimney started the flames at the lower part of the roof, which was burned nearly to the top on one side. The men employed on the farm threw water on the flames from the tank, soon extinguishing them. Otherwise the house would have burned. The fire occurred about nine o'clock this morning.

SUFFRAGE BILL COMES UP NEXT

Legislature Must Dispose of This
Measure Before Taking up Ad-
ministration Program

SENATE MEETS THIS MORNING

One of Most Important Measures
for Consideration is the Ab-
sent Voters Bill

(By United Press.)

Indianapolis, Ind., Feb. 5.—With the constitutional convention bill out of the way and the prohibition measure practically disposed of, the Indiana legislature today had one more measure to dispose of before taking definite action on administration and other bills—woman suffrage.

The senate met this morning and it was expected that the upper house would again make an attempt to take action on the Maston suffrage bill immediately. The measure now rests on the floor of the senate—having been taken from the committee last Friday on motion of the author.

The suffragists are demanding immediate action on their bill and are making desperate efforts to keep it from being side-tracked by other legislation.

Scores of suffragists planned, to gather tomorrow to make a concentrated drive on the legislators to enact the bill giving women the right to vote. They were planning a demonstration such as was made in favor of prohibition.

The senate was also today expected to adopt resolutions endorsing the stand taken by President Wilson in the crisis with the German government—such as was adopted by the house of representatives on Saturday.

One of the most important bills scheduled to come before the senate today for passage was the English bill making provision for voters who are absent from the precinct in which they live, on election day, to cast their ballots.

A similar bill introduced by Representative Kessler of Peru has passed the house.

Senator Norman's bill which would force shippers of dynamite to place special labels on the packages was a special order of business for 2 o'clock this afternoon. The bill, when it was up for third reading, met with considerable opposition.

Other measures scheduled for third reading today were:

Reser's bill providing for monthly teacher's institutes.

Hudgin's bill providing that cities of the fourth and fifth class may combine the offices of city clerk and treasurer.

Simmons' bill regulating traffic when street cars are loading or discharging passengers.

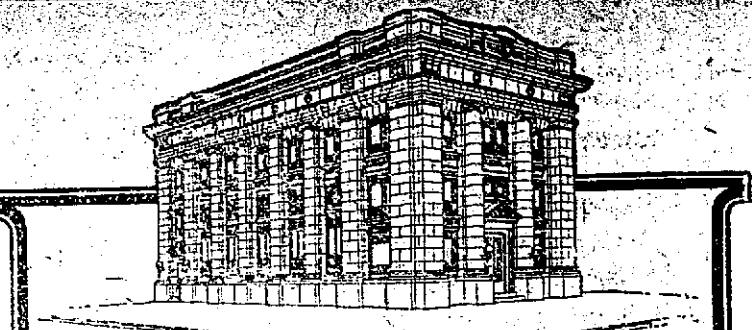

Laney's bill legalizing the sale of school lands purchased for experimental purposes.

Reidbach's bill authorizing counties to erect and maintain coliseums and auditoriums.

Nedji's bill providing that cities may collect a 2 per cent tax on foreign insurance companies doing business in the state to provide a fireman's pension fund.

Kinder's bill providing for temporary loans by school boards.

Humphrey's bill which would make school superintendents elective instead of appointive was a special order of business for 10 o'clock today.

THE DRUMMER'S PRAYER.

Michigan Tradesman: Our landlord at the head of the table; we hallow thy name. Let thy beefsteak come, let it be properly done, and let it be free from taint. Give us this day some ham and eggs, also fruit in season; forgive us when we kick as we forgive those who kick against us; put us not into unclean and buggy beds, deliver us from dirty towels and cockroaches, and thine be the glory and two dollars a day forever and ever.

Box social at Methodist church tomorrow evening at 8 o'clock. Pol-lowed by clever skunk by boys of Epworth League.
